

Links dos templates que vou me inspirar para o projeto integrador.

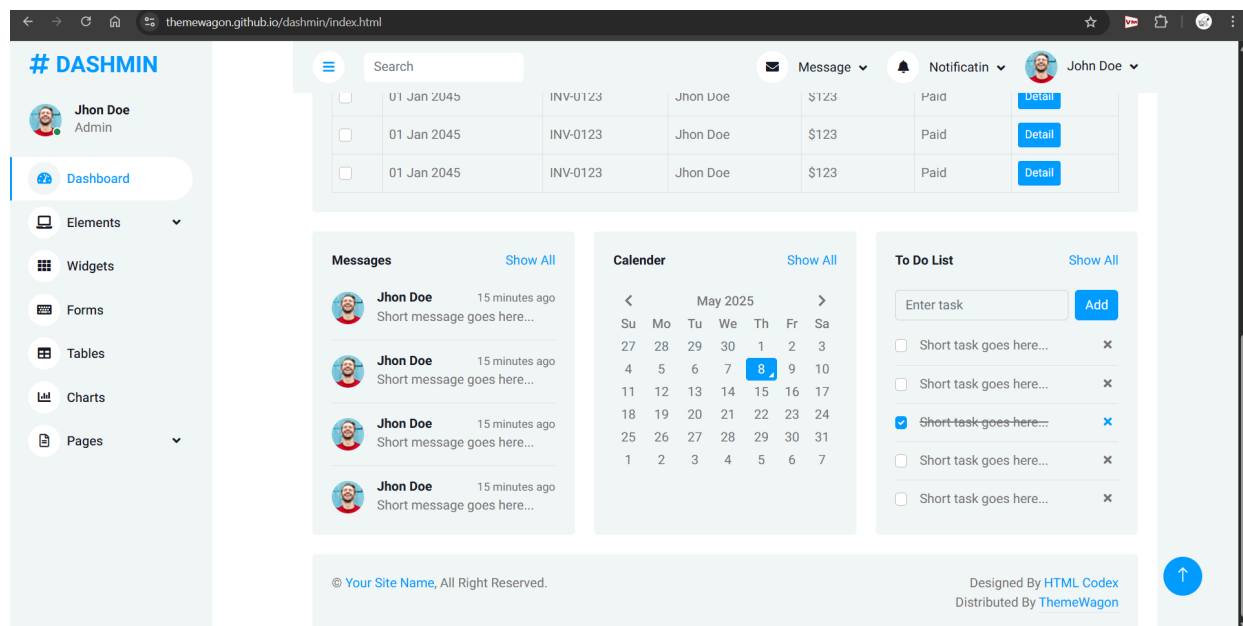

Template para tela de login e aba lateral bonita que se movimenta:

<https://themewagon.com/themes/free-bootstrap-4-html-5-admin-dashboard-website-template-skydash/>

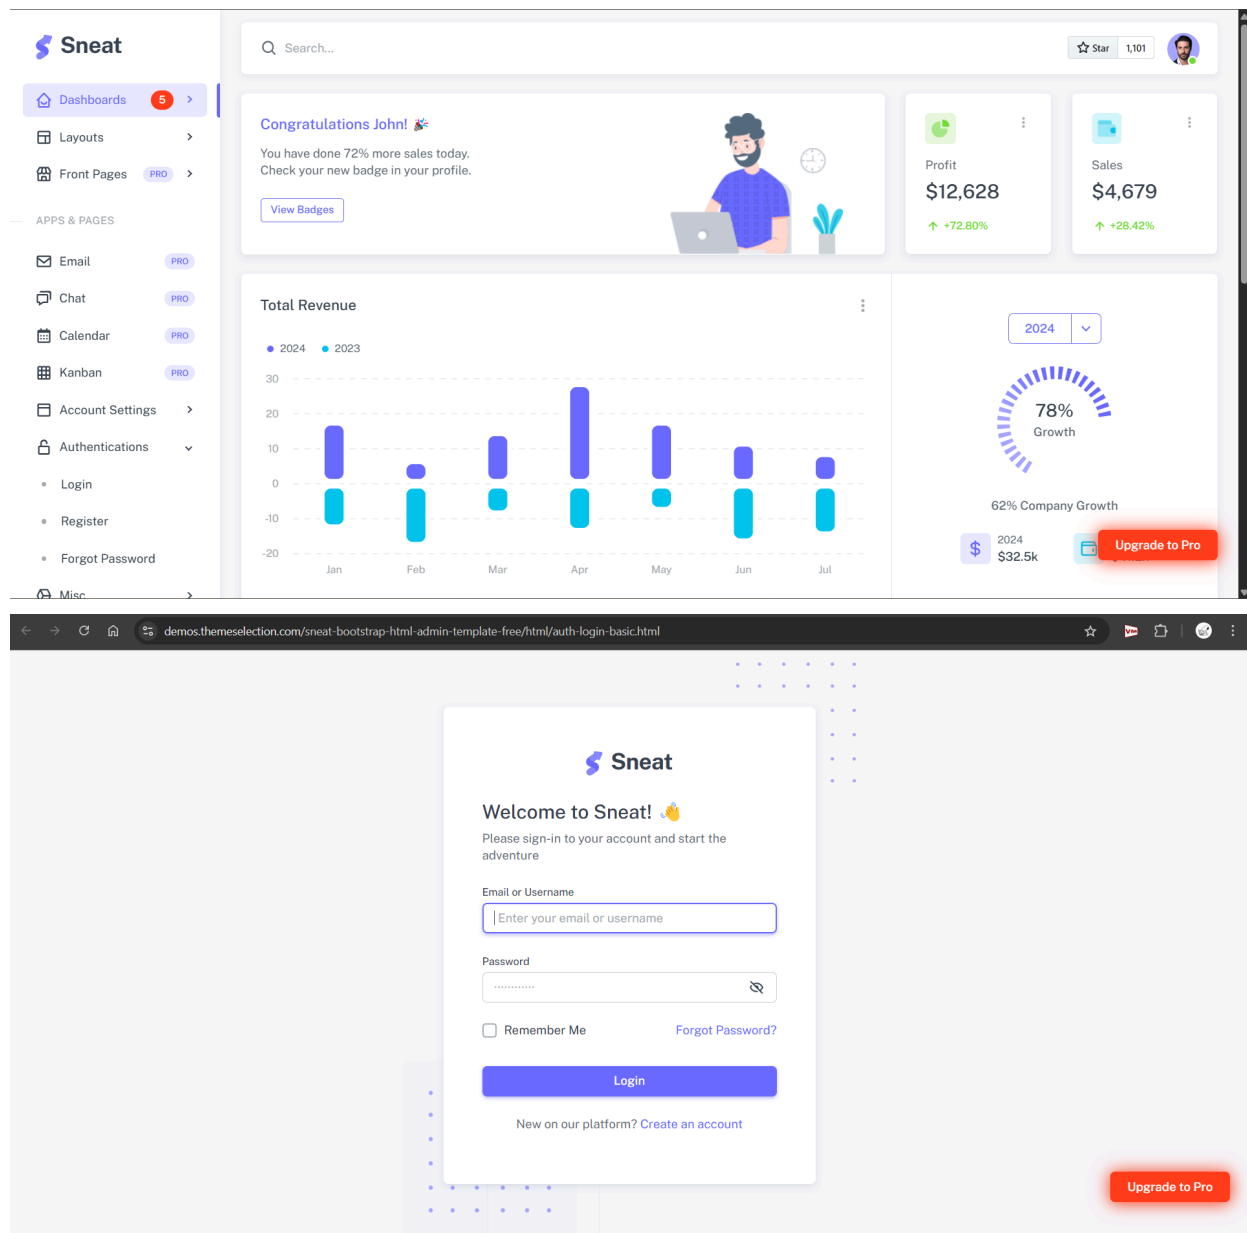

Template que tem calendário (legal para usar na tela de agenda) e vários símbolos e caracteres muito legais para usar:

<https://themewagon.com/themes/dashmin-responsive-free-bootstrap-5-html5-admin-dashboard-template/>

Template com tela de login legal também (decidir entre essa ou aquela de cima) e tem containers bonitos, não muito chamativos e bem organizados:

<https://themewagon.com/themes/free-responsive-bootstrap-5-html5-admin-template-sneat/>

Template de agenda PERFEITO (mas não é bootstrap 5):
